Your Health...**Your Choice** Choose Sumner Regional Medical Center

What to have for dinner; where to go on vacation; **what hospital to use...**we are faced with choices everyday, but none as vital as the choices we make about our healthcare and the healthcare of our loved ones.

As a resident of the community of Wellington, we are fortunate to have a quality medical center close by; staffed with medical professionals endowed with the

experience and skills to address major health challenges and the humanity to treat each patient with care and respect.

In your time of need, we are here for you and hope to continue to serve our community for generations to come. It's your health...it's your choice, **and your choice matters!**
